Love is Love.

To every being who Loves, big or small, human and animal.

El Amor es Amor.

Para todo ser que ama, grande o pequeño, humano y animal.

I found a little color in my black and white world. Someone said it was called yellow.

En mi mundo de blanco y negro descubrí un color que suelen llamar amarillo.

So in my excitement I painted everything yellow, but nothing looked right.

Me emocioné tanto que pinté todo de amarillo, pero nada lucía bien.
