

A watercolor illustration of a city skyline. In the foreground, there is a dense layer of green bushes and foliage. Behind the foliage, two palm trees with green fronds and brown trunks stand on the left. In the background, several tall, rectangular buildings of varying heights and colors (yellow, green, purple) are visible against a light, hazy sky. The overall style is soft and artistic.

Al and Ricky are best friends. They do everything together. They live in the same building. They go to the same school. They are in the same class. They play in the same park. They like the same music.

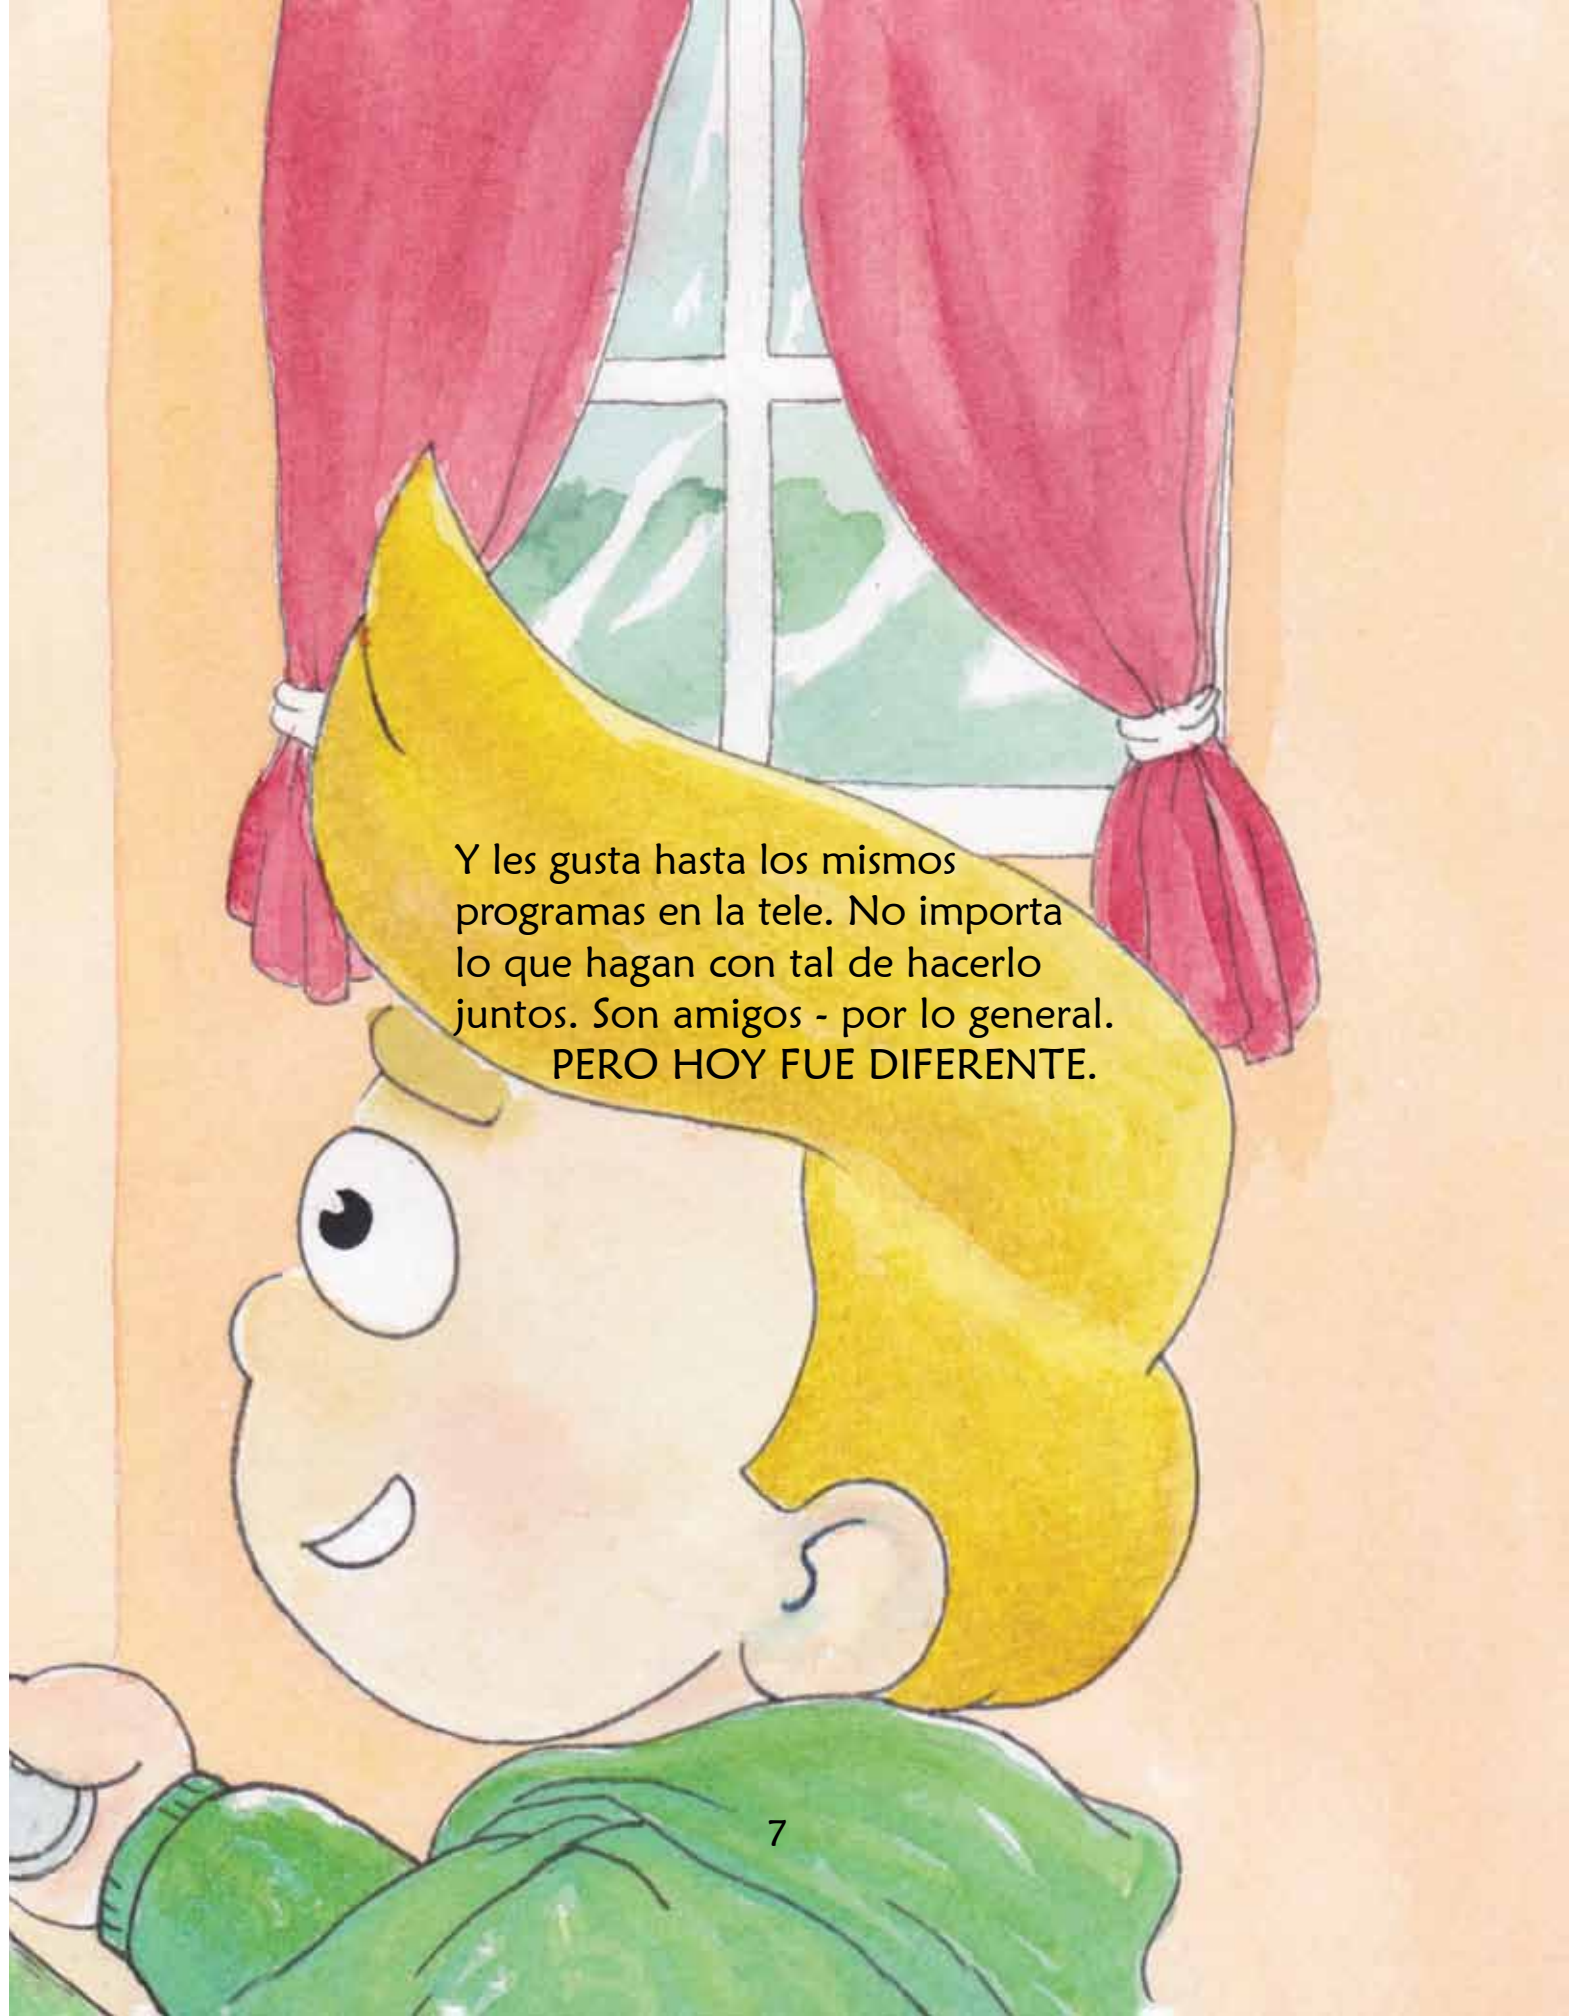

Al y Ricky son amigos del alma. Hacen todo juntos. Viven en el mismo edificio, asisten a la misma escuela y están en el mismo salón. Juegan juntos en el parque y les gusta la misma música.

They even like the same TV programs. It doesn't matter what they do so long as they do it together. They are pals - usually. BUT TODAY WAS DIFFERENT.

Y les gusta hasta los mismos programas en la tele. No importa lo que hagan con tal de hacerlo juntos. Son amigos - por lo general. PERO HOY FUE DIFERENTE.
